

# THE WEEKLY MESSENGER

**1358 South Lake Drive Lexington, SC 29073**

**Week of July 22, 2018**

## The 10<sup>th</sup> Sunday after Pentecost

This week is the first of five Sundays with gospel readings from John 6, the first four of which focus on Jesus as bread of life. Today Jesus feeds thousands of people with five loaves and two fish. What we have, what we bring to Jesus' table, seems like it is not nearly enough to meet all the needs we see around us. But it is not the adequacy of our supplies or our skills that finally makes the difference: it is the power of Jesus working in the littlest and least to transform this world into the world God desires, a world where all the hungry are satisfied .

July 18, 2018

On Wednesday July 18, 2018 Tom had his 20<sup>th</sup> Proton Treatment. He is doing fine with treatments, therefore we are able to do several things! UF Health Proton Therapy Institute plans lots of activities for their patients. Our apartment, Third & Main in Jacksonville also plans activities for their tenants!

We have met a lot of nice people from all over the world (all ages) that is going through some type of treatment, and it is so sad to see all the children that have cancer!

We thank everyone for their thoughts, prayers, calls, cards, letters and texts sent to us! Thank you for thinking of us and just know Tom has 19 treatments left to go he's half way through!!

Love to our St. James Church Family,  
*Glenda and Tom Boozer*
